# Application For Baptism

## Why Baptism?

God's Word does not teach that Baptism is a requirement for salvation. Instead, Baptism in the church is a public expression of faith after someone has trusted Jesus Christ as Savior. While it is viewed as a personal step of faith, it is not private. Such a public act of obedience clarifies a person's testimony of salvation and opens the door for greater ministry through membership in the local church.

“We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life”. **Romans 6:4**
