

# Trunk or Treat

Saturday October 28, 3pm - 5pm

Thank you for being a part of First Baptist Church's Trunk or Treat! This is OUR BIGGEST outreach event each year. We see over four hundred kids come each year to get treats and the Gospel message. This is a team effort that takes lots of people. And we are so grateful you signed up. Church and school families will park their cars in the large parking lot. The event provides a safe family environment for trick-or-treaters. And it's all OUTDOORS!

## SAFETY

We will have a line going south on Central Ave. to enter the parking lot so we can allow a limited number at a time to reduce crowding.

## PARKING

Please Please Please! **COME EARLY!** Arrive at the parking lot between 1:00pm and 2:30pm to be ready before our 3:00 pm start. Arriving on time helps with a smooth set-up, we may block the entrance of the parking lot after 2:30 and you won't be able to enter. We do not save parking spots so get here early if you need a parking spot close to an electric outlet. Non – Trunker volunteers please park in the Gullo lot.

## TRUNKERS

Trunk owners should decorate their own vehicle and trunk. The more inventive the more the kids will enjoy it! **PLEASE nothing scary, evil, blood, guts, guns, witches, ghoul.** Have fun and get creative! Add music, lights, sound effects, and sensory delights. Please bring your own candy bowl. Candy will be provided and given to each vehicle before the start time. You are welcome to bring candy as well. If you are unable to make it, please send me a text to let me know. (716) 416 - 0847

## RAIN PLAN

Only If it is really pouring out – we may have to cancel. We will send a text reminder the morning of the event to confirm that we are proceeding with Trunk or Treat. The Forecast for Saturday October 28 is calling for 40% rain and 52° please dress and plan accordingly. **Pray for Good Weather**

## HAVE A GREAT TIME!

Plan on smiling, laughing, giggling, and serving the kids and families of our community as we take a little of our time and resources to do good and shine a positive light in a world that so often gets caught up on the negative and dark things around us!
