What is church Membership?

Welcome to First Baptist Church of Dunkirk, New York. We are a group of believers who love and worship the Lord Jesus Christ and want to grow and share Him with our community and the world.

Church membership is a declaration of citizenship of Christ's kingdom. It is also formal relationship between a local church and a Christian, characterized by the church's affirmation and oversight of a Christian's discipleship and the Christian's submission to living out his or her life in care of the church.

There are several important elements:

1. The church body formally affirms an individual's profession of faith and baptism as credible.
2. The church promises to give oversight to that individual's discipleship.
3. The individual member formally submits his or her discipleship to the service and authority of this church body and its leaders.
